### COMPUTER / MULTIMEDIA

Get the optimal equipment for your devices or adjust them to your individual requirements: for the highest data rate, mobile television and multimedia PCs!

With its clearly structured design Cabstone offers a high-quality appearance at the Point of Sale. The three worlds of COMPUTER / MULTIMEDIA, HOME ENTERTAINMENT and MOBILITY are marked with different colors, so they are easy to recognize – both by the packaging, as well as by the optional available POS shelf.

Convince yourself of the consistent Cabstone™ trading concept 2011 and be curious about our latest developments.

**see more from page 3**

### HOME ENTERTAINMENT

Technical trends such as digital TV, high resolution HDTV formats and 3D have made our televisions wider, more sophisticated and flat. Now it's time to bring your designer piece on the wall!

With its clearly structured design Cabstone offers a high-quality appearance at the Point of Sale. The three worlds of COMPUTER / MULTIMEDIA, HOME ENTERTAINMENT and MOBILITY are marked with different colors, so they are easy to recognize – both by the packaging, as well as by the optional available POS shelf.

Convince yourself of the consistent Cabstone™ trading concept 2011 and be curious about our latest developments.

**see more from page 13**

### MOBILITY

We work, browse the internet and listen to music everywhere we go. Everywhere? Well, at least if enough power is provided. Because the batteries are flat too soon – but we have the right solution!

With its clearly structured design Cabstone offers a high-quality appearance at the Point of Sale. The three worlds of COMPUTER / MULTIMEDIA, HOME ENTERTAINMENT and MOBILITY are marked with different colors, so they are easy to recognize – both by the packaging, as well as by the optional available POS shelf.

Convince yourself of the consistent Cabstone™ trading concept 2011 and be curious about our latest developments.

Windows 7 Media Center compatible

USB 2.0 port

Watch and record digital terrestrial TV on PC or Laptop

Full DVB-T bandwidth reception (6/7/8 MHz) MPEG-2

## DVB-T STICK

USB DVB-T Receiver

- incl. antenna remote control and TV Software
- terrestrial antenna input
- antenna adaptor to connect standard DVB-T antennas
- system requirements:  
Win 2000, XP, VISTA, 7 (32 - 64 Bit)  
min. 1 GB memory  
free USB 2.0 port

delivery without harddisk

eSATA Interface supports data transfer up to 3 GB/s (SATA II)

USB 2.0 port

Easy to use with PC

Connectable to Note- and Netbooks via USB port

## SATA HDD DOCKING STATION

### SATA HDD Docking Station

- including power supply
- compatible to all 2.5 and 3.5 SATA harddisks
- USB 2.0 HUB 2 port
- Hot-Swap (harddisks can be changed without reboot)
- suitable for Win 2000, XP, VISTA, 7

## COMFORT GAMING HEADSET

Headset with microphone

- microphone sensitivity: -58 dB + - 2 dB
- frequency range: 20 Hz - 20000 Hz
- ultralight
- flexible microphone
- volume control at cable
- clear and precise voice transmission
- easy installation
- designed for games, VoIP and eSports

## OFFICE HEADSET

Ultra light office headset with adjustable microphone

- microphone sensitivity: -58 dB + - 3 dB
- frequency range: 20 Hz - 20000 Hz
- ultralight 125 g
- volume control on cable
- Noise Cancelling provides a clear transmission of your voice
- easy installation

## MULTIMEDIA HEADSET

Ultralight headset for music, chat, games and VoIP

- microphone sensitivity: -58 dB + - 2 dB
- frequency range: 20 Hz - 20000 Hz
- ultralight 109 g
- mute control of microphone
- volume control at cable
- clear voice transmission
- easy installation
- designed for music, movies and games, voice recognition and calls/videocalls via PC

## MULTIMEDIA USB HEADSET

Light USB headset for music, chat, games and VoIP

- microphone sensitivity: -58 dB + - 3 dB
- frequency range: 20 Hz -20000 Hz
- ultralight 135g
- mute control of microphone
- volume control at cable
- clear voice transmission
- easy installation via USB-interface
- designed for music, movies and games, voice recognition and calls/video calls via PC

Item no.: 95112

## GAMING HEADSET

Robuster headset for gaming, VoIP and eSports

- microphone sensitivity: -39 dB + - 2 dB
- frequency range: 18 Hz -18000 Hz
- ultralight
- mute control of microphone
- volume control at cable
- clear voice transmission
- easy installation
- designed for games

Item no.: 95108

## MOBILE MUSIC HEADSET

Foldable headset for full sound

- microphone sensitivity: -58 dB + - 3 dB
- frequency range: 20 Hz -20000 Hz
- ultralight
- headband foldable
- volume control on cable
- clear voice transmission
- easy installation
- including travel bag
- including adaptor for iPhone/iPod

Item no.: 95109

## COMPACT KEYBOARD KB-100

USB compact keyboard

- USB interface with 1.5 m cable
- 8 hotkeys for multimedia, office and internet use
- 105 standard keys (compact size) + 8 hotkeys
- super slim keyboard design
- system requirements: Win ME / 2000 / XP / VISTA / 7 compatible
- german keyboard layout - other versions on request

## KEYBOARD + MOUSE WIRELESS KBM-200

2.4 GHz wireless Desktop Set

- 2.4 GHz technology, operating distance 6~10 m
- USB interface with 1.5 m cable
- Autolink function for easy handling
- keyboard: wireless, requires 2x AAA battery (included)
- 12 hotkeys for www, email, favorites, search, sleep, my computer, calculator, media, play/pause, mute, volume up / down (wheel)
- 105 keys (full size)
- super slim keyboard design
- mouse:
  - Docking Station with integrated charger and integrated 2.4 GHz receiver
  - wireless, requires 2x AAA rechargeable battery (included)
  - 800/1600 dpi optical sensor, with dpi switch
- system requirements: Win ME / 2000 / XP / VISTA / 7 compatible
- german keyboard layout - other versions on request

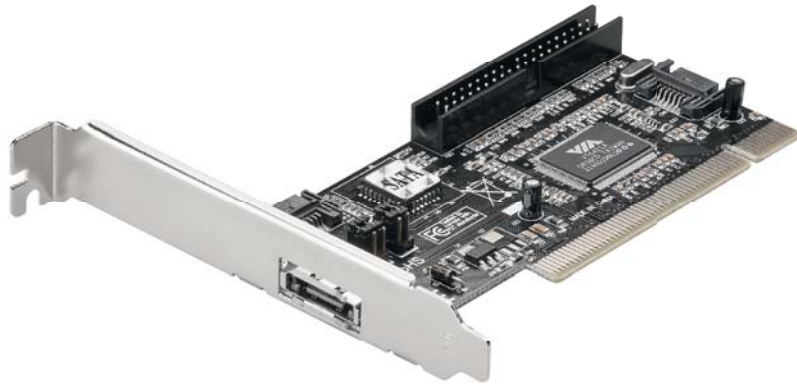

## KEYBOARD + TRACKBALL KBT-200 GER

2.4 GHz wireless MediaPC keyboard and remote control

- set of Media PC keyboard with integrated trackball and Media PC remote control with integrated trackball
- super-compact keyboard, ideal for operating your Media PC
- keyboard with 13 hotkeys for multimedia, office and internet use  
86 standard keys (compact size)
- remote control features: 45 hotkeys + 2 mousekeys  
The main Windows Media Center can be controlled via button, e. g. LiveTV, pictures, music
- 2.4 GHz USB wireless receiver
- system requirements: Win ME / 2000 / XP / VISTA / 7 compatible
- german keyboard layout - other versions on request

## PCI INTERFACE CARD

### SATA + IDE CONTROLLER

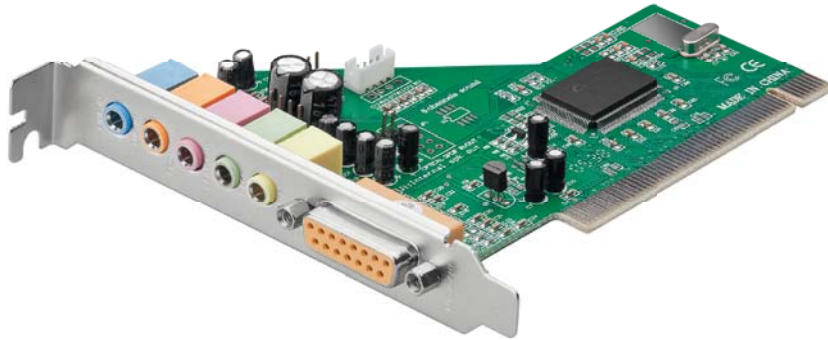

- 2x internal SATA ports (RAID 0,1 supported)
- 1x external SATA port
- PCI card for easy connection to SATA devices
- 1x internal ATA/IDE port 100/133Mbps
- via 6421 Chipset
- measurements: 130 x 120 x 18 mm
- incl. driver CD
- system requirements: Win 2000 / XP / VISTA / 7

## PCI INTERFACE CARD

### USB 2.0 CONTROLLER 4+1

- 4 external and 1 internal USB ports
- PCI interface card for connection your USB devices.
- VIA VT6212L Chipset
- USB 2.0 data transfer up to 480 MB/s
- measurements: 127 x 120 x 18 mm
- incl. driver CD
- system requirements: Win 2000 / XP / VISTA / 7

## PCI INTERFACE CARD

### SOUND CARD 5.1

- PCI sound card to connect your audio input and output devices
- C-Media cmi 8738 LX e3dx Chipset
- 6 channel, 5.1, Line In, Mic, Line Out, Front Speaker, Rear Speaker, Bass Center
- DirectSound3D compatible
- DirectSound3D hardware acceleration
- incl. Gameport
- measurements: 126 x 120 x 18 mm
- incl. driver CD
- system requirements: Win 2000 / XP / VISTA / 7

## PCI INTERFACE CARD

### USB 3.0 CONTROLLER 2 Port

- PCI express interface card for easy connection of your USB 3.0 devices
- for PCI express slots
- NEC Chipset
- USB 3.0 data transfer up to 5 GB/s
- 2 external ports
- measurements: 120 x 69 x 18 mm
- incl. driver CD
- system requirements: Win 2000 / XP / VISTA / 7

2 USB A sockets (5 V DC / 500 mA) for devices with USB power feed

With surge protection

Cable length: 1.5 m

## SOCKET OUTLET

Multiple socket outlet with USB and overload protection

- 6 sockets with surge and overheat protection
- 2 USB A sockets (5 V DC / 500 mA)
- 1.5 m cable with convenient storage
- lighted ON/OFF switch
- control LED for surge protector
- robust housing with shock-resistant frame
- wall mounting possible
- max. 250 Volt / 16 Ampere / 3500 Watt
